

SPLENDID BANQUET TO PREMIER RUTHERFORD

Strathcona Liberals Did Honors Last Night to a Distinguished Citizen--Banquet Attended by Many Prominent Guests.

About two hundred guests sat down to the banquet tendered to Premier Rutherford, in Strathcona last night. The Liberals of the premier's town did themselves proud in the entertainment of their distinguished citizen. The dinner was exceptionally well gotten up and was thoroughly enjoyed by those in attendance. All the members of the provincial cabinet, Hon. Senator Talbot, nearly all the Liberal members of the legislature, and the entire opposition were present. The hall was very tastefully decorated for the occasion. Mr. N. D. M. S. president of the Strathcona Liberal association, presided, and at eleven o'clock he read and proposed the first toast on the list, "The King."

This was followed by a duet by Messrs. Stutchbury and Hanby, rendered in their usual splendid manner.

"The Dominion Parliament," was then proposed by Dr. W. McIntyre, coupled with the name of Hon. Senator Talbot. In rising to reply the Senator was given a warm reception. He complimented the Liberals of Strathcona on their excellent banquet to the honored premier of Alberta. In speaking of the Dominion constituency of Strathcona he pointed out that four new railways were being constructed in this constituency at present. He referred to his recent appointment to the Senate which he considered an honor to the constituency. He said he would endeavor to serve his constituents in the future as in the past. In conclusion he made a humorous reference to the proposed age limit to the Senate.

The toast to the provincial legislature was proposed by Mr. Robert Ritchie, coupled with the names of Hon. C. W.

Croas and Hon. W. H. Cushing. In replying Mr. Croas offered his congratulations to the Liberals of Strathcona upon the success of their banquet. He referred to the success of the provincial election in Alberta and stated that the integrity and character of the leader of the Liberal party, the present premier of Alberta, had a great deal to do with the success of the contest. He expressed the opinion that in the approaching contest in Strathcona the result would be satisfactory to the Liberal party.

Hon. W. H. Cushing expressed his pleasure at being present to do honor to the Premier, the guest of the evening. His recent associations with the Premier had been of such a character as to lead him to form a very high opinion indeed of Mr. Rutherford. He pointed out the difficulties of the task undertaken by the Premier, that of forming an entirely new administration in this province and remarked how well the task had been performed. Referring to the Legislature, he expressed the opinion that no legislature in Canada had more important duties to perform than the legislature of Alberta. In such important work mistakes were apt to be made, but the legislators were bent upon giving the best possible service to their province.

Dr. McIntyre then proposed the toast to "Our Agricultural Interests," coupled with the names of Hon. W. T. Finlay, Rice, Sheppard and Wm. Lang.

Mr. Finlay, in reply, declared this to be the most important toast of the evening. The great agricultural interests of Alberta and expressed the hope that the farmers' sons of Eastern Canada would come west and settle the fertile lands.

WILL BUY TWINE FROM FACTORY

Society of Equity Held Quarterly Convention in City Hall Yesterday.

The quarterly convention of the Canadian branch of the American Society of Equity was held yesterday afternoon in the council chamber at the city hall. Over sixty delegates were present, representing local unions from the international boundary as far north as Independence. F. S. Mitchell, of Turnip Lake Union, was chairman of the meeting, and several important matters were brought forward by Secretary-Treasurer J. Kean. The question of the purchase of binder twine for the farmers was the chief question discussed. The convention was unanimously in favor of purchasing the twine in bulk through the society, but the majority of delegates wished to have the twine sent C. O. D., and not send the money along with their orders. They had had a good deal of trouble last year on account of the twine being delayed on its way from the factory. It was finally decided that the most feasible way was for each farmer to send his order, together with his note for the amount, to the bank, and after the notes had been accepted by the bank the orders and notes were to be turned over to General Secretary Kean, who would forward them.

A committee was appointed consisting of Messrs. Geo. Sutherland and Geo. Long, and Secretary Kean, to arrange for the purchase of the twine, and its distribution when it arrived, and also to conduct any other business connected with the purchase of the twine.

The matter of the shipment of grain was also taken up. It was found that a good deal of grain was yet in the country, which was of first-class quality. The matter of shipment of the grain was left to the local unions. Regarding hall and fire insurance, it was resolved that the Government be urged to put both of these items on a more satisfactory footing.

Amongst the delegates present were Messrs. McLean and Thompson, from Leavings; Mr. Tregillus, from Calgary; Col. Gregory, from Lacombe; Chas. Burnell, Poplar Lake; D. B. Wilson, Namay; W. R. Ball, Salisbury.

The unions represented are as follows: Poplar Lake, Belmont, Namay, Turnip Lake, Sunnyside, Ben Accord, Coronation, Morinville, St. Albert, Riviere Qui Barre, Edman, Independence, Legal, Villeneuve, Spruce Grove, Stony Plain, Glory Hills, Warden, North View, Lamouraux, Partridge Hill, Salisbury, Calgary East, Calgary West, Leavings, Clareholm, Round-Up, Macleod, Spring Point.

The evening session was taken up with the discussion of organization work. General Organizer R. C. Owens, who has been in Southern Alberta for the past six weeks, reported, and after listening to his report the convention decided that the best way in which to carry on the work of organizing was to divide the province into six sections, to two sections and call conventions of the unions of the two portions to arrange for organization and to raise funds for the carrying of the work into Saskatchewan.

INTERMEDIATES WON

The intermediates went to Wetaskiwin last night and scored another victory by trimming the seniors there in a good game of hockey by a score of 11 to 6. The Wetaskiwin boys played hockey as well as they knew how, but they were not in it with the little Thistles, who ran up six scores in the first 14 minutes. At half time the score was 8-3 for the Thistles. Of the 11 goals, Campbell got 4, Cooke Gaudreau scored 3, Gordon Banford got 3, and Bud Kent sent one in from his place at cover point.

J. B. Benson refereed the game and gave satisfaction.

The Thistles returned on the late train last night.

HOUSE ADJOURNS UNTIL MONDAY

No Business Done at this Morning's Session.

The morning session of the legislature today was very brief and did not result in any work. There were five long bills down for a second reading, but when the House convened Premier Rutherford stated that he had been asked to move an adjournment until Monday afternoon at 4 o'clock which he did, and the House rose.

A great amount of work in committee has been gotten through with during the last few days. Yesterday afternoon's proceedings of the Alberta Legislature were devoted entirely to the advancement of bills before the House, except for the election of J. R. Boyle to the position of deputy-speaker and the demand of Leader Robertson of the Conservative Opposition that the vote on the amendment to the reply and the reply be taken standing.

The following petitions were read: Rutheford--Lethbridge, applying for incorporation.

McAulley--Dominion Coal Lake Railway Co.

J. R. Boyle--Incorporation of the High River Club.

J. R. Boyle--Alberta Canadian Insurance Co.

Macellus--Incorporation of the Alberta Oil, Coal and Wheat Railway Co.

The select committee on Rules and Orders reported that in the application of Medicine Hat for incorporation as a city, that the rules had not been complied with through failure to give notice in proper time and the committee recommended that rules be suspended and the bill be allowed to be introduced.

The application of the town of Wetaskiwin for incorporation was similarly treated. Premier Rutherford moved and Attorney-General Cross seconded that J. R. Boyle, member for Sturgeon or appointed deputy-speaker, be carried.

Representative Robertson asked that the vote on the reply to the speech from the Throne and the amendment, which was put Wednesday, but not recorded, be now taken in compliance with the rules of the house. The amendment was put first and Messrs. Hiebert and Robertson voted yes, all the other members voting nay. The motion was then put and the division in favor of the reply was carried on the same lines.

The division stood: Yes, Hiebert, Robertson, -2. Nays: Boyle, Braden, Brick, Cross, Cushing, Findlay, McAulley, MacKenzie, McKinney, McLeod, Macellus, McPherson, Moore, Puffer, Rosenroth, Rutherford, Simpson, Stuart, Telford, Walker, -20.

Absent, Lethbridge-1.

Vacant, Lethbridge-1.

Bills introduced and read first time: Finlay--Ordinance to incorporate the English Club.

Finlay--To incorporate the city of Medicine Hat.

Rosenroth--To incorporate the city of Wetaskiwin.

Rosenroth--To incorporate the Edelweiss Club.

The House went into a committee of the whole on the bill entitled "An Act Representing the Statutes," which was read a second time, John R. Boyle taking the chair as deputy-speaker. The act was almost entirely technical, being an interpretation act for the purpose of use in connection with the ordinances.

TEN KILLED, ONE HUNDRED MISSING

Farmon, S.W. Va. Mar. 23--Ten killed and one hundred missing is the harrowing tale of another mine disaster, caused by gas explosion at this place.

THE RUSH IS ON.

Winnipeg, Mar. 22--Today's train is the largest the C. N. R. has sent out from Winnipeg. During April they will have to run their main line train in sections. Mr. Cooper, chief passenger agent, states that so far this year the influx of immigrants is double what it was last year and that next month the rush will be tremendous.

DIRECTING WATERWAYS

Winnipeg, Mar. 23--Zepherine Mahiot, engineer of the Dominion Public Works Department, has left for the north end of Lake Winnipeg for the purpose of making an inspection of a strip of land between that lake and Cedar Lake, the last named body being an extension of the Saskatchewan river. It is proposed to cut a channel through this week between the two lakes to divert the flow of the water of Lake Winnipeg into the Saskatchewan in order to lessen the danger of overflows of Lake Manitoba into which Lake Winnipeg now empties its enormous volume of water. The proposed channel would also prevent the flooding of the low lands along the shores of Lake Dauphin.

TWO FIREMAN WERE KILLED

Passenger and Freight Trains Collide Near Sarnia Ont.

Sarnia, Ont. Mar. 23--Two London firemen were instantly killed in the Sarnia tunnel yards this morning in a head on collision. The Toronto passenger train was three minutes out of the depot when it was discovered that in a flurry of snow they had passed the switch and were on the track going due east to London instead of on the track running northeast to Stratford. A freight train with two engines was approaching from Stratford direction at twenty-five miles an hour and collided with the passenger train at twenty. Both freight engines piled up over each other and Fireman Tripp and Hughes of London, were caught and instantly killed. No other persons were injured.

PIRE IN STRATHCONA

Strathcona, Mar. 22--The fire alarm sounded about 9.30 last night, and the brigade quickly responded. The blaze was in the rear of Mr. Tucker's store, Lamden avenue. It appears to have been caused by coals falling on the floor, out of a stove, in a room upstairs. The occupants were all attending the hockey match and hence the fire had some headway before discovered. The four near the stove was burnt through and the roof also badly damaged. The brigade soon had the blaze under control, and deserve much credit for their promptness and business methods displayed last night.

SASKATOON WANTS INCORPORATION

Saskatoon, Mar. 22--Saskatoon's future was dealt with at a meeting of the mayor and councillors, which proved to be by far the most important council meeting ever held in Saskatoon. A city charter is to be applied for at the first meeting of the Saskatchewan Legislature. The city of Saskatoon will include sections of 28, 29, 32, 33 and north halves of sections 20 and 21 in township 36 range 5, west of 3rd.

C.P.R. MAKES WAR UPON ITS RIVALS

Report From Winnipeg that Land Along the New Roads will be Raised to Prohibitive Prices.

Winnipeg, Mar. 22--It is reported in real estate circles that the Canadian Pacific land department has decided to raise the price of C. P. R. lands along the line of the Canadian Northern and the route of the Grand Trunk Pacific in Saskatchewan and Alberta to \$20 per acre. The Canadian Pacific owns most of the lands now available for settlement in the districts opened up by the rival road and considerably more along the route surveyed for the new Transcontinental. The latest maps showing the G. T. P. indicate that the right of way through Saskatchewan and Alberta is largely through C. P. R. lands and if the price of lands is raised to \$20 per acre it is likely that the immigration movement now flowing in that direction will be stopped and turned to other districts probably those being opened up by the C. P. R., which, according to the statements of Pres. Shaughnessy, will this year have under construction eight hundred miles of new road in Western Canada. It is believed that the action of the land department is retaliation for the invasion of the west by the new lines. The announcement that the Pheasant Hill branch is to be extended through the same district as the Grand Trunk Pacific to Edmonton is taken as an explanation of the increased price of lands along the rival lines. Although land prices in Western Canada have increased already, \$20 per acre is practically out of the question and is believed to have been fixed upon as being practically prohibitory to settlement while the company's land along the C. P. R. can be purchased from \$6 to \$12 per acre. Officials at Winnipeg deny this report.

THOUSANDS COMING

Winnipeg, Mar. 23--Speaking on immigration movements Adjutant Alward said: "The Salvation Army will bring many thousand immigrants to Canada this year. Army officers in England have had innumerable applications from persons who desire to come to Canada under our auspices and careful selection is being made so that only a desirable class of immigrants will arrive. We have distributed one party in the west without difficulty. We will be called on to distribute 1,000 this year. The next steamer, specially chartered, will leave England for Canada on April 4th. Many Salvation immigrants are being sent in regular steamers."

During two days this week 432 cars of settlers effects crossed the boundary at North Portal. The pressure on the railway is heavy but business is being expeditiously handled.

"KNOCKING" CANADIAN BEEF

London, Mar. 22--A letter has been published here, written to friends in this country by the manager of a large ranching company in Alberta in which the manager says it would be extremely foolish to take off the embargo on Canadian cattle entering Britain, as home cattle would soon get infected with mange.

MONTREAL PRIZE FIGHT

Montreal, March 22--A mysterious prize fight occurred in the vicinity of Montreal last Sunday but the secret was so well kept that reliable information is only now coming out and details are still lacking. The fight was a fierce one, lasting thirty-one rounds. Jim Hall, of Brooklyn, is said to have knocked out Mike O'Keefe of New York. High admission price was charged and many prominent people are believed to have been present.

Strathcona, March 21. — The town council convened in the town hall here last night at 8.15 p.m. Present the mayor and Aldermen Douglas, Elliott, MacFarlane, Mackenzie, Richards and Cowles, Engineer McLean and Secretary-Treasurer Downes. Minutes of last meeting were read and approved on motion of Douglas and Cowles.

Dr. S. Archibald was present and addressed the council re the establishment and maintenance of a town hospital. He stated the necessity of having such an institution in town, as no accommodation could be received at the Edmonton hospitals at present and the C. P. R. Co. would tax all their staff in this divisional district, for its maintenance, and that the government would also liberally aid in its support. Considerable discussion followed on this question. Aldermen Mackenzie and Douglas moved that the mayor and Ald. MacFarlane and Elliott be a committee to take the initiative in formation and maintenance of a town hospital. Alderman MacFarlane stated that he purposed being out of town for about a month and hence could not attend to the business.

Aldermen Richards and Cowles moved in amendment that the health and relief committee take the matter up and be given power to act. Amendment carried.

A delegation from the board of trade, Messrs. Davies and Ritchie appeared before the council, soliciting a grant of \$1500 for immigration and educational purposes in connection with their work. Aldermen Douglas and Elliott moved that the "Request of the board of trade be referred to the finance committee to report thereon.—Carried.

Douglas and MacFarlane moved that the council subscribe for six copies of "Western Municipal News," price \$5. Carried.

Hutton, \$3.80; Canada Electric Co., \$128.85; Can. Electric Co., \$247.90; telegrams, etc., \$1.50; Empire Accident Surety Co. secretary-treasurer bonds, \$50.

Messrs. Douglas and Richards moved that these accounts be referred to the finance committee, and, if found correct be paid.—Carried.

An animated discussion followed re road across Mr. O'Brien's property, near the Calgary trail.

A report made by the finance committee on town auditor's report, for 1905, and also on debentures, was received and adopted.

Bylaws committee report on licenses, fixing auctioneers' licenses at \$50 and pedlars licenses at \$50 or \$5 per month, was also received and confirmed and read a first and second time.

Mackenzie and Elliott moved that the engaging of a competent engineer for the power house be left to the fire, water and light committee, with power to act.—Carried.

Engineer McLean spoke of the necessity of purchasing more sewer pipes and quoted prices of Vancouver and Lacombe firms.

Richards and Elliott moved that the sewer pipe business be referred to the fire, water and light committee with power to act.—Carried.

The expected arrival of the Duke of Connaught in the town on April 6, came up for discussion.

Alderman Douglas, and Cowles moved that the mayor, Aldermen Richards and Elliott, and Secretary-Treasurer Downes form a committee to prepare a reception on that occasion for the distinguished royal visitor.—Carried.

The following applications were then read for the position of night policeman, salary \$50 per month—Messrs. John Cochrane, F. G. Ryan, J. B. Brown, R. McKernan, Geo. Matthews, P. Harris, H. Wapshott, Jas. Hunter, F. E. Foster, A. B. Bell, F. M. Scanlan, Wm. Olsen, Alf. Dyer, G. M. Groat.

Aldermen Douglas and Elliott moved that these applications be referred to the town hall, market and police committee to report thereon at next meeting.—Carried.

A lively discussion followed on telephones and on the various merits and defects of the automatic, bell and municipal systems after which the press representatives were asked to withdraw, as certain town questions were to be discussed behind closed doors.

**FARMER SHOT
BY EMPLOYEE**D. F. Campbell, of Frobiisher, Saskat-
chewan, Shot by Hungarian

Frobiisher, Sask., Mar. 23.—A shooting
 affray which will result in the death of
 D. F. Campbell, a farmer, occurred
 about four miles north of Frobiisher.
 Magyar Vincleur, a Hungarian in the
 employ of Campbell, had a dispute with
 him over his wages and at 6.30 a.m.
 took Campbell's shotgun to the stable
 and on Campbell's approach raised the
 gun to shoot. Campbell made an effort
 to get out of the way, but was too
 late, the shot striking him in the re-
 gion of the groin. Campbell was able
 to reach the house, where he sent to
 a neighbor for aid. The Hungarian,
 after shooting his victim, started for
 town, where he is now in custody.
 Mr. Campbell is a married man with
 a family of four.

AN ASSEMBLY—BUT!

St. Petersburg, Mar. 22.—The Imperial
 manifesto and ukases which incorporate
 the national assembly in Russia, prom-
 ised last fall are disappointing. They
 constitute neither a constitution nor a
 bill of rights for the Russian people.
 They create a popular assembly, but
 the powers granted to it are so hedged
 about with conditions that it will be
 rather political in name than in fact.
 Nevertheless by the terms of the man-
 ifesto the Emperor himself is power-
 less to revoke what he has given. This
 constitutes a great victory which the
 people have won. They at last have
 an authoritative medium through which
 they can make their voice heard and it
 is in this assembly that the great
 struggle against prerogative and pri-
 vilege will be fought out.

YORK LOAN AFFAIRS.

Toronto, March 21.—Proceedings in
 the investigation of the conspiracy
 charged against Joseph Phillips, pres-
 ident of the York County Loan and
 Savings Company were continued to-
 day before the police magistrate this morning.
 The principal witness was Miss Eva
 Hall, and her testimony was concern-
 ing the expense account of Phillips.
 The latter drew \$25 a week expenses
 while in the city, but no itemized ac-
 count was ever presented of what these
 expenses were. Phillips signed vouch-
 ers. When out of the city his expenses
 were large, but still no items were giv-
 en.

Similar testimony was given by
 Stewart Linn, the secretary treasurer,
 who it appears was also treasurer of
 the Toronto Life, and drew a salary
 from both companies. The investiga-
 tion adjourned until Thursday.

CAPTAIN TO BLAME

Victoria, B.C., Mar. 12.—The com-
 mission appointed by the department
 of marine and fisheries to enquire into
 the Valencia wreck and this morning
 for the purpose of presenting the report
 agreed upon. The commission consist-
 ed of Captain J. J. Gaudin, the British
 Columbia agent of the department;
 Capt. J. G. Cox, and Capt. H. New-
 comb, of the Dominion fisheries cruiser
 Kestrel.

The finding placed the responsibility
 for the wreck upon Captain Johnston,
 of the Valencia, who, the commission
 find, should not have attempted to en-
 ter the straits in the weather prevail-
 ing at the time without ascertaining
 exactly the position of the Umatilla
 lightship. He should have been posi-
 tive of its location, either by seeking
 the light or by hearing the fog signal,
 and not have gone on mere supposi-
 tion.

QUICKLY FOUND PLACES

Winnipeg, Mar. 22.—No more immi-
 grants will arrive at the headquarters
 of the Salvation Army for a week or
 so. Of the last steamship load that ar-
 rived only about 200 got as far west
 as Winnipeg, the others being taken
 by farmers in the east.

POULTRY AND PET STOCK

The Show in Strathcona Well Attended—Foley Lectures on Poultry Breeding

The second day of the exhibition of poultry and pet stock held in the old public school, Niblock street, was well attended.

There was a very good exhibit of poultry and dogs, some very good specimens of Wyandottes, Rocks, Orpingtons, Langshans, Bantams, Leghorns, and other breeds are on exhibition. There was also turkey, geese, ducks and a fine display of eggs for sale. Various breeds of canines were on the second floor, all chained for the sake of peace and quietness. Lovers of dogs found much to interest them in this room as pedigree, size, color, shape, intelligence were clearly defined in many cases.

Mr. Foley, of Bowmanville, Ont., Government poultry expert, gave an interesting lecture in the afternoon on the best way of killing, plucking and marketing fowls. Among other things he said there were 17,000,000 poultry in Canada, and of this number 17,000,000 were not pure bred and hence not nearly as profitable as if they were of pure strain. He killed and plucked two fowls to show the proper way to prepare for market. The second old-time fowl operated upon evidently was not willing to die for her country, as it for a long time gave evidence of life after the knife was used in the usual way, and caused much merriment to both lecturer and audience. He stated that \$40,000 worth of eggs and poultry came into our province from the east last year. He had a tabulated chart which showed that on 434 fowls, which cost in all \$116.89 there was a total profit of \$117.06 or over one hundred per cent gain. He said that new-born chicks should receive no food for 36 to 48 hours. He mentioned the best kind of food for fattening and laying fowls, and gave many practical pointers on incubators, saying that Cypers, Danfords and Chatham were all good.

He recommended fowls to be killed by bleeding and to be hung in a cool place before killing, but given water during this period, and that old hens should not be kept, as they were not profitable; that 192,000,000 eggs were produced in Canada last year, which, if placed side by side on the C. P. R. would reach from Halifax to Vancouver, and another row from the Pacific to the Atlantic coast, and a third row from Halifax back to Winnipeg. He spoke of the increasing price and greater demand for eggs and dressed poultry in Great Britain and urged upon all present to take more interest in their poultry, as there was much profit awaiting those in Alberta who managed poultry along scientific and common sense lines. There was a good attendance at the lecture, many of the fair sex being present, and much interest taken in the subject under discussion. The lecturer was tendered a hearty vote of thanks at the close of his discourse, and made an appropriate reply thereto.

Mr. Ingram, the auctioneer, will remain in the city until Sunday, when he will leave for Lloydminster to hold a sale.

JUSTIFIABLE HOMICIDE
North Bay, Ont., Mar. 22.—The coroner's jury in the case of the killing of his father by Percy Norman, last night, returned a verdict of justifiable homicide. Mrs. Norman said her husband came home drunk and began to abuse her. The boy came to her rescue and struck his father on the head. She was pursued and she struck her husband. He turned on her and the boy running for the axe, returned and struck the death blow.

Inga, March 17, 1906.
To the Editor of the Daily Bulletin, Edmonton:
Dear Sir:—
Through the medium of your paper, I desire to inform the public that the information lately laid by me against Henry Napp, of Winterburn post office, for the theft of a certain horse, was laid by me while laboring under an entire misapprehension, and I desire as far as possible to public the fact that no such information against Henry Napp should ever have been laid.

Yours truly,
JAMES O. JACKSON.

FOUND DEAD IN GRANARY

Young Farmer Near Saskatoon Vic-
tim of an Accident

Saskatoon, Mar. 23.—With a charge of
gunshot in his heart, his life-blood in
a pool upon the floor, and a repeating
shotgun by his lifeless and still warm
body on the floor of his granary, Amos
Tiffin, Jr., was found this morning by
his father. Young Tiffin had been to
town twice the previous day on busi-
ness and had arrived home after dark
last night. For some reason he had
failed to unharness the team of horses
in which he always took special pride.
The horses were found this morning
loose in the stable, the lines down and
the harness on. Young Tiffin, who
was unmarried and twenty-seven years
of age had as usual occupied his bed
in his shack which adjoins the gran-
ary in which his body was found. It
is surmised that he got up in the morn-
ing, partly dressed himself, started his
fire and stepped out into his granary
where he was examining a fowling
piece when it went off.

HORSE HILLS (Correspondence)

Considerable interest is being display-
ed in this district in the organization
of a court of the Independent Order of
Foresters. The work has been taken
up by the residents of Horse Hills, Ol-
iver, Belmont, Poplar Lake and Cor-
onation.

The charter has now been completed
with a membership of 36, from
amongst which the following officers
have been elected. Chief Ranger, H. G.
Forster; Past Chief Ranger, Arthur
Corbett; vice chief ranger, Frank Mc-
Lay; court deputy, Nelson Gibson;
court physician, Dr. Farquharson;
court orator, H. G. Steers; court organ-
ist, Mr. Trounson; financial secretary,
Archie Clark; recording secretary, Geo.
Y. Dorland; treasurer, William Clark
Jr.; senior woodward, Thos. Weekes;
senior beadle, Hector Clark; Junior
beadle, Arthur C. Weekes. There are
still two more officers to be elected
to complete the full court and these
will be chosen at the next court which
will be held at Halfway Corners store
on Tuesday, April 10 at 8 p.m. To all
old members of the order residing in
the district the chief ranger extends
a cordial invitation. One of a series
of short lectures entitled "A Man's Val-
ue to Society" will be given by Brother
H. G. Forster, at the next meeting.

BLOODY MINNESOTA CRIME

Fergus Falls, Minn., Mar. 22.—Cor-
oner Hamman came in from the town
of Dunn this morning, where he went
to investigate the death of Fred Wag-
ner, whose body had been found in a
swamp. The post mortem examination
showed that beyond doubt the man was
the victim of one of the most bloody
crimes in the country's history. In-
vestigation shows that he had not only
been pounded over the head, but had
been shot three times. The murderer
had shot him while he was lying in
bed in a shanty, the bullets striking
over the eye and glancing without pen-
etrating the skull. He had then been
dragged from the bed and held over a
trap-door so that the blood ran into the
cellar. A rope had been tied around
his foot and he had been dragged to-
ward the swamp but began to show
signs of returning consciousness when
about twenty-five yards from the house
whereupon the murderer had jumped
onto and ended him by shooting him
twice in the neck.

NEW "HOMESTEAD" MAP

Ottawa, Mar. 22.—A new edition of
the even action or "homestead" map
of Manitoba, Saskatchewan and Alber-
ta corrected to January 1, 1906, has
been issued by the Department of the
Interior. This map shows in distinct-
ive coloring the homesteads entered up-
on during the year 1905. Homestead
patents to the 1st of January, 1906,
unpatented homesteads prior to 1905,
and even sections finally disposed of
otherwise than as homesteads. A fea-
ture of this map edition which no doubt
will be of considerable interest, is that
showing the final general line of divi-
sion between the open prairie country
and the park country with clumps or
traces of woods, and also between the
park country, and the chiefly wooded
country.

TELEGRAPHIC BRIEFS

SYSTEM IS EXPENSIVE.

Toronto, Mar. 21.—Post-master General Aylesworth in a letter to the York Township Council says "experience seems to have demonstrated that the system of free rural mail delivery in the States has been attended by such enormous expense that it would seem scarcely possible to continue it."

MINERS FLEE FOR SAFETY

Denver, Col., Mar. 20.—Owing to the fear of snow slides, all mines in the neighborhood of Silverton, Colorado, have been closed and 3000 miners have fled for safety. Ottawa, March 23.—Hon. Wm. Templeton took his seat in the Commons today. George Riley, of Victoria, has been appointed senator in place of Templeton.

ALBERTA'S PROSPECTS

Winnipeg, March 22.—J. Tait, assistant superintendent of the Canadian Pacific telegraphs, arrived in town after spending several weeks in a trip through Alberta. "The prospects before Alberta are very bright," said Mr. Tait, "and there are many people who believe that the new western province will be the best of the three. The climate is very fine, immigration from the western states is very heavy, 150 cars of settlers effects arriving at North Portal today. The Alberta legislature was opened auspiciously."

BANQUET TO THE PREMIER

(Continued from page one)

of this splendid province. He referred to the good results to be derived from the railway competition that Alberta now has and is about to be provided with. He spoke of the homes for countless thousands of settlers available in the taking over of the creameries by the provincial government, and stated that already there were ten applications received by his department for creameries. He concluded by expressing his pleasure in being present to do honor to Premier Rutherford. Mr. Sheppard expressed himself as being proud of being a Liberal, and at seeing Premier Rutherford occupy his present position. He expected good administration from our worthy Premier and from our Agricultural Department. He expressed the opinion that the farmers had confidence in Premier Rutherford. Mr. Wm. Lang followed. He went back to the days of Adam to trace the history of agriculture. He discussed at some length the construction of roads in this new province. He concluded with a compliment to the Premier and the government. The orchestra then enlivened the proceedings with a selection.

Mr. Robert Ritchie proposed "Our Commercial Interests" coupled with the names of John McLennan. Mr. McLennan expressed his pleasure at being present to honor the first citizen of Alberta. He declared that the commercial interests of the province second only to the agricultural interests, and stated that in this section of the province we had the natural advantages for great commercial enterprise, and he hoped the new Legislature would endeavour to foster these great interests.

Dr. McIntyre proposed the toast of the Liberal party coupled with the names of J. T. Moore, M.P.P., and C. A. Stuart, M.P.P. Mr. Moore declared that the Liberal party came honestly by all its power and success of today. The Liberal party had laid the foundation of responsible Government. It was a party that had the courage of its convictions. The Herald, Standard, today with a unity and strength unexampled. He referred to the formation of the Dominion cabinet in 1896 as the gathering together of men of the

first ability and chief among them was the most distinguished of all Canadians, Sir Wilfrid Laurier. The Liberal party makes for peace and unity and is the enemy of vickerings and strife, the spirit of toleration is large in the Liberal party. He concluded a very eloquent address with a glowing tribute to Premier Rutherford.

Mr. Stewart expressed the opinion that a long lease of life was probably before the Liberal party. The Liberal party was now triumphant in Canada, but it was not always so, and the history of its struggles in opposition under Baldwin, Lafontaine and Wm. Lyon McKenzie was the history of the laying of the foundations of responsible government in Canada. He referred to the struggle for representation by population, to the work of Sir Oliver Mowat, and the victory of Sir Wilfrid Laurier in 1896. He discussed the results of provincial autonomy and the peaceful and satisfactory manner in which it had been carried out by the Liberal party. In conclusion Mr. Stewart joined with the other speakers in their expression of the highest regard for Alberta's honored Premier Hon. A. C. Rutherford.

A song from Mr. Stutchbury followed and was highly appreciated. The toast of "Our guest" was proposed by the chairman. When Hon. Mr. Rutherford rose to reply he was greeted with enthusiastic cheers. He heartily thanked the Liberals of Strathcona for their splendid banquet, he ascribed his success in politics to the hearty thanks of the Liberals of Strathcona. The Liberals of Strathcona, electoral district. He had undertaken the serious task of government with some misgivings, but the hearty support of his colleagues had made the work much easier. He would use his every endeavor to give the people a good business administration and prove true to the trust imposed on Nov. 30, last.

The agricultural interests, he said, were paramount and it was the purpose of the government to look well after his department in the administration. As Minister of Education it was his purpose to give to every boy and girl in Alberta a first class public school education. Many new schools, he stated, had already been organized under the provincial administration. He thought the first Legislature of Alberta would compare favorably with the other legislatures of Canada. The members had entered upon their duties with an evident determination to serve their province well. He spoke of the great future in store for Alberta, and the development of a strong Canadian sentiment in every part of the Dominion. An excellent song by Mr. Hanby followed. The toast of the learned professions was proposed by Mr. Ritchie and replied to by Dr. Holson, D. M. McKinnor and John Garbutt. Mr. Marriott then sang a song very acceptably. The toast to the ladies was proposed by Dr. McIntyre and replied to by J. A. Connolly and Dr. Fuller. The Press was proposed by Mr. Ritchie, and replied to by W. M. Davidson, Jas. McDonald and Duncan Marshall. The toast to "Our Host" was heartily drunk as everyone appreciated the splendid dinner provided. It was responded to on behalf of the host by R. W. McKenzie and at 2:30 a.m. one of the most successful banquets ever held in Alberta was brought to a close.

PREPARING FOR THE FAIR

A meeting of the directors of the Provincial exhibition will be held to-morrow evening at 8 o'clock at the office of the secretary. One of the most important matters to come up is the confirmation or the alteration of the prize list. The prize list committee composed of Scott, Robertson, T. Daly, John McPherson and Wm. Carscadden, have prepared their list for the season's fair and as soon as it is confirmed will go out to secure the necessary prizes. The prize list committee is aiming pretty high this year, as the prizes to be awarded are more numerous and much more attractive than ever before offered in the history of the fair.

The prize committees want to warn the farmers that now is the time to prepare for the fair. They are requested not to sell or sow all their best samples of grain, but to keep one or two for exhibition purposes next July. Edmonton farmers should keep in mind the fact that this is now a provincial fair, and that there are other parts of the province taking a very lively interest in the prize list, with the possible result that unless the farmers of this district take care the farmers of some other districts are likely to come prepared and sweep the board of prizes. What is true of grain in this respect is also true of fat stock, and as a gentle reminder to the farmers the prize committee want to point out that now is the time to commence preparing stock for the show.
